EXPANDED PROGRAM ON IMMUNIZATION
District Health Officer (Preventive Services) DHA Chakwal

0543-660163 / 0543-660062 @ chakwalhealth@yahoo.com

No. 948 /EPI,Dated : Chakwal, The 26-09-2026

To

The Chief Executive Officer,
District Health Authority,
Chakwal.

Subject: - **REQUEST FOR RELIEVING OF THREE VACCINATORS OF TEHSIL CHAKWAL AND SENDING THEM TO DISPOSAL OF DIRECTOR EPI PUNJAB**

Sir,

It is respectfully submitted that the conduct and performance of the following vaccinators of Tehsil Chakwal have remained consistently unsatisfactory:

1. **Islam Sharif — Vaccinator**
2. **Muhammad Sagheer — Vaccinator**
3. **Syed Shoaib Kazmi — Vaccinator**

The above officials have repeatedly been reported/observed for misconduct, poor performance, absence from duty, unauthorized leave and irregularities/fudging in dates and official records. These issues have adversely affected the implementation and monitoring of routine immunization activities.

It is pertinent to mention that multiple explanations have already been called from the officials, while various corrective and administrative measures, including attachment to other UCs, repeated supervisory interventions and pay deductions, have also been undertaken. However, despite these measures, no meaningful or sustained improvement in their conduct, attendance and performance has been observed.

In view of the persistent nature of the issues and failure of repeated corrective measures to improve their performance, it is recommended that the above-mentioned vaccinators may kindly be relieved from their present duties and sent/reported to the Director, EPI Punjab, Lahore, for further disposal and appropriate departmental action, as deemed appropriate by the competent authority.

Their continued retention at their present places of duty may adversely affect the discipline and performance of the EPI program. The relevant record, including explanations, attendance/absence reports, previous administrative orders, pay deduction record and other supporting documents, may be forwarded along with their cases for consideration by the competent authority.

It is, therefore, requested that necessary orders may kindly be issued for their immediate relieving from present duties and be sent to disposal of the Director EPI Punjab.

Submitted for kind consideration and necessary orders, please.

DISTRICT HEALTH OFFICER PS
