OFFICE NOTE: -

Respected Sir,

With reference to the reports shared by the DEO (EPI) regarding the EMR Dashboard dated April 2, 2026, it is submitted that Mr. Amir Nazir, Vaccinator at Union Council Bhoun, shared a fake live location at 09:11 AM. The screenshots from the "EPI Outreach Technician WhatsApp Group, District Chakwal" are attached as evidence. Consequently, an inquiry was marked to the DHO (PS) on April 9, 2026.

According to the (DSR) shared by the Provincial Office on April 6, 2026, the EMR entries for the aforementioned vaccinator were recorded as zero (0). In response, he was summoned for an Explanation-cum-Personal Hearing vide Order No. 245, dated April 8, 2026, along with all relevant records.

During the verification process, the following discrepancies were observed:

Falsification of Location: It was found that the official shared fake locations in the official WhatsApp group on multiple dates, specifically on the 2nd, 4th, 7th, and 8th of April 2026.

Data Mismatch: Upon scrutiny of the EMR records versus the manual Daily Register, 11 out of 42 entries were found to be mismatched.

Monthly Report Discrepancies: An analysis of the EPI report for March 2026 revealed significant differences between the EMR and EPI MIS reports. Furthermore, the figures in these reports did not tally with the Daily Register.

This act of providing false information and the inconsistency in reporting constitutes serious misconduct and is highly objectionable.

Following recommendations are hereby submitted for your approval please.

- Deduction of one month salary of concerned vaccinator.
- He should be transferred from UC Bhoun to UC Dalwal Tehsil Choa Saidan Shah against the vacant post with immediate effect.

Submitted for your kind information and approval.
